PRAYER SERVICE & HEALING

**BACK BY POPULAR DEMAND!**  
**Thursday, June 29<sup>th</sup>, 2017 at 6-9PM**

**REGENCY WEST**  
**3339 W. 43<sup>rd</sup> Street, Los Angeles, CA 90043**  
*Generous parking across the street*

Join many of our Southern California physicians, leading Clergy and Musicians seeking health and spiritual healing through prayer and praise. This event is even more timely, given the many recent deaths and serious medical challenges of a significant number of our physicians. All physicians, healthcare professionals and their staffs, who are left to carry on need the healing, support and love from their colleagues and their community. We also invite the participation of our clergy.

**Providing healthcare starts with Self.**

All physicians are encouraged to seek their own health evaluations within the next 30 days!
